

Happy Lovable by **Sabeth Holland** will take part in a truly meaningful project: the **Autistic Art Gala** at the **Museum of Fine Arts, Budapest**, on October 20, 2025.

The winning collector will not only support the foundation's important mission but also receive a remarkable artwork. Happy Lovable reflects Sabeth Holland's internationally recognised, colourful and joyous style, enriched by her distinctive use of gold.

One of Switzerland's most established contemporary artists, Sabeth Holland is widely celebrated for bringing vibrancy and positivity into people's homes and surroundings.

This project is initiated and accompanied by ArtAnd Strommer Consulting Switzerland/Hungary.
