

INTWINE ZURICH

Celebrating 5 years of INTWINE called for something special. ●

We sent Swiss painter and sculptor **Sabeth Holland** 50 of our signature bags and one simple brief: make them art.

What started as a bold experiment became a month-long creative deep dive. Sabeth's studio filled up with 50 blank bags, each one slowly coming alive under sweeping, generous brushstrokes. Brush stroke by brush stroke, hesitation gave way to freedom, and freedom gave way to color.

50 pieces, soon out in the world, ready to start stories of their own. We hope everyone who carries a **CELEBRATION!** bag feels a bit of that courage and joy in every brushstroke.

👉 Now available at **INTWINE ZURICH**, with a minimum purchase of CHF 50.

👉 Once the bags are gone, they are gone. No restocks.

CELEBRATION!
